## WE'RE ALWAYS LOOKING FOR EVEN MORE NGS EXPERTISE!

- 🔗 Do you love making the complex simple?
- 🔗 Do you have a deep understanding of targeted sequencing methods?
- 🔗 Are you an excellent coach of young scientists?

If you've answered yes to all the above, we would love to meet you. YouSeq is always looking for world class scientists to join our team, and especially world class developers of targeted NGS technologies.

We may have full or part time opportunities that you would thrive in.

If you are interested, please contact our HR department: [hr@youseq.com](mailto:hr@youseq.com)
